Hi Scott. Two things.

Could you check the EPA seal and adjust on the letter – It seems to be cut off.

All the letters reference Coplay Aggregates in the 5<sup>th</sup> paragraph. Could you please edit?

Thanks.

Hi Harry:

I hope you are doing well and that your summer was good.

My firm represents Hazelton Creek Properties, LLC (HCP) and its parent, Tunnel Hill Partners, LP (THP). I am writing on behalf of HCP (and THP) to request a meeting with you regarding the Notice of Noncompliance dated April 24, 2018, issued by Region 3 to HCP, which alleged certain violations of the Toxic Substances Control Act (TSCA) relating to PCBs. HCP (and THP) also wish to discuss various issues regarding the Pennsylvania Department of Environmental Protection's (PADEP) Management of Fill policy and changes that are being considered to that policy relating to PCBs.

For your reference, I am attaching a copy of the Notice of Noncompliance, along with HCP's June 8, 2018, supplemental response to the Notice.

HCP (and THP) would like to meet with you sometime during the next two weeks if at all possible (i.e., the week of September 24 or the week of October 1). If you are agreeable to a meeting, could you please send me a few dates/times on which you would be available? Based on your availability, I will work with the schedules on our end to ensure that the appropriate people from HCP and THP can attend.

Thanks so much.

Best,

Steve
